

1. **Install:** MOTI Mobile from Google Play Store or Apple App Store. Search for “**MOTI Mobile**” to download or **click on the store badge to the right to hyperlink.** →

2. **Log-in:** Via MOTI Mobile or [www.coachspage.com](http://www.coachspage.com), log in using the email address you provided your club during registration once you’ve established your password. You will receive a “Welcome Email” from [motisports@motisports.com](mailto:motisports@motisports.com) which will allow you to set your Password. (Check your SPAM Folder and if found mark it “NOT SPAM”).

*\*as of this training, your user is setup. In this case, watch for an email invite from Coach’s Page or your club. Then, proceed with the following steps.*

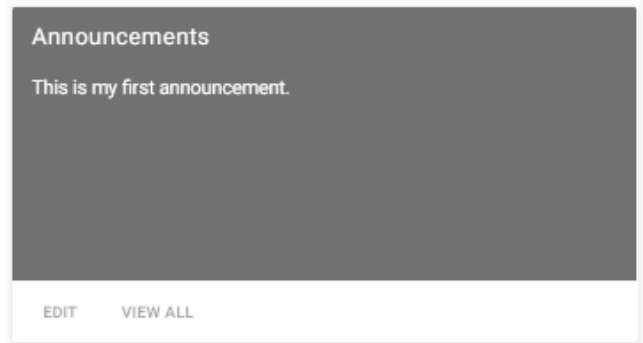

3. **Quick Start Video:** Watch the Quick Start video on the mobile app dashboard to learn more. →

4. **Registration of Players:** Your players are already registered by your club and are already on your team roster.

5. **Announcement:** Via MOTI Mobile or [www.coachspage.com](http://www.coachspage.com), write your first announcement on the Announcements Board for your Team to view. Discuss your first practice, attire, or any message you want to convey to the entire team. Players and coaches will see the Announcement Board when they sign in.

7. **Schedule Practice Plan:** All your practices are scheduled by your club.

9. As the season progresses, continue to use the Announcement to inform your players & coaches.
